### NatureWax® C-3 Flake

This document is intended to provide frequently asked information to our customers. The information presented is offered in good faith and believed to be accurate at the time of writing. For health and safety information, please refer to the Safety Data Sheet for this product. Customers should evaluate whether the use of this product is safe for their intended application.

**Product:** NatureWax® C-3 Flake

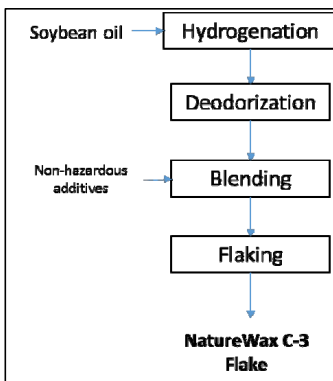

**INCI Name(s):** Hydrogenated Soybean Oil<sup>1</sup>,  
Glyceryl Stearate,  
Lecithin

**Restriction of Use:** NatureWax® products are not intended for food use. Food grade certifications are only maintained in our manufacturing facilities for these products, products may be further packaged, warehoused, and shipped from non-food facilities. Additionally, NatureWax C-3 contains Partially Hydrogenated Oils (PHOs). In 2015, FDA released its final determination that PHOs are not Generally Recognized as Safe (GRAS) for food.

<https://www.fda.gov/Food/IngredientsPackagingLabeling/FoodAdditivesIngredients/ucm449162.htm>

**Manufacturer:** Cargill, Incorporated, 5000 South Boulevard Charlotte, NC 28217

**General Manufacturing process:** NatureWax C-3 is produced by blending of partially hydrogenated and fully hydrogenated soybean oil with additional non-hazardous vegetable derived additives. See link for additional information: <http://www.iseo.org/httpdocs/FoodFatsOils2016.pdf>

<sup>1</sup> NatureWax C-3 Flake contains a blend of Fully Hydrogenated and Partially Hydrogenated Oils (PHOs).

**Claims:** The labeling, substantiation and decision making of all claims for your products is your responsibility. We recommend you consult regulatory and legal advisors familiar with all applicable laws, rules and regulations prior to making labeling and claims decisions.

## Substances of Concern:

Information provided is to the best of our knowledge, at the time dated by the document. We are relying on basic knowledge of our manufacturing inputs and manufacturing processes. Cargill does not test/routinely test for the presence of substances of concern listed below.

Reference Lists	Yes or No?
Are any of the ingredients or impurities listed by California Proposition 65? <a href="https://oehha.ca.gov/proposition-65/proposition-65-list">https://oehha.ca.gov/proposition-65/proposition-65-list</a>	See Listed Impurities. <sup>2</sup>
Are any of the ingredients or impurities found to be Carcinogenic by NTP? <a href="https://ntp.niehs.nih.gov/pubhealth/roc/index-1.html">https://ntp.niehs.nih.gov/pubhealth/roc/index-1.html</a>	See Listed Impurities. Not known to be present at concentrations requiring classification or labeling.
Are any of the ingredients or impurities found to be Carcinogenic by IARC? <a href="http://monographs.iarc.fr/ENG/Classification/">http://monographs.iarc.fr/ENG/Classification/</a>	See Listed Impurities. Not known to be present at concentrations requiring classification or labeling.
Are any of the ingredients or impurities found to be Carcinogenic by EPA? <a href="https://a816-healthpsi.nyc.gov/l137/pdf/carcclassJuly2004_1.pdf">https://a816-healthpsi.nyc.gov/l137/pdf/carcclassJuly2004_1.pdf</a>	Not intentionally added or known to be present at concentrations requiring classification or labeling.
Are any of the ingredients or impurities found to be Carcinogenic by OSHA? <a href="https://www.osha.gov/SLTC/carcinogens/standards.html">https://www.osha.gov/SLTC/carcinogens/standards.html</a>	Not intentionally added or known to be present at concentrations requiring classification or labeling.
Does the raw material as supplied contain any ingredients or impurities identified on the Substance of Very High Concern List under REACH? <a href="https://echa.europa.eu/candidate-list-table">https://echa.europa.eu/candidate-list-table</a>	Not intentionally added or known to be present at concentrations requiring notification.
Are any of the ingredients a known Carcinogen, Mutagen or Reproductive Toxicant as defined in Annex VI of CLP Regulation? <a href="https://echa.europa.eu/regulations/clp/legislation">https://echa.europa.eu/regulations/clp/legislation</a>	Not intentionally added or known to be present at concentrations requiring classification or labeling.

<sup>2</sup> NatureWax® products are being provided for further formulation, processing, and/or packaging and are not intended for direct retail sell to consumers as supplied by Cargill. The finished product manufacturer is responsible for determining whether the product they are manufacturing and/or packaging causes an exposure to a Prop 65 chemical at a level that requires a warning in California.

**Claims:** The labeling, substantiation and decision making of all claims for your products is your responsibility. We recommend you consult regulatory and legal advisors familiar with all applicable laws, rules and regulations prior to making labeling and claims decisions.
